

# We need you to be our partner!

If you enjoy Barbershop singing, why not join the Pretzel City Chorus Partner Program and get Partner benefits.

The Pretzel City Chorus has been presenting quality Barbershop performances for over 60 years. In order to continue this tradition of bringing our unique style of four-part, a cappella harmony to the community of Reading, we need your help.

Operating a barbershop chorus is very expensive. We must purchase and maintain our uniforms, rent a rehearsal hall and concert venue for our Christmas and Spring shows, purchase music and pay ASCAP Licensing fees, and pay a front-line director to lead us.

Besides the partner benefits listed on the right, you will help us continue the tradition of bringing Barbershop music to the people in the Reading area.

Partner benefits run from January to December.

Because the Chorus is a registered non-profit (501 (3) (c)) organization, your contribution may be tax-deductible. Please check with your tax advisor.
